Larry, as we discussed Bo and I would really appreciate anything you can do to get tickets to this years US Open. We would prefer to go on the Thursday/Friday of the first week (August 31st/September 1st) hopefully these should not be popular days. If it's possible to get four tickets to the day and evening sessions on both days that would be great. However, as always, I will take whatever I can get | many thanks for the help, regards, Greg
